

ULTRALIFT

BY Byron Originals, Inc.

SIDE MOUNT

*Manual Lifter: U.S. Patent 7,290,297 B2
Hydraulic Assist: U.S. Patent Pending*

DECK MOUNT

ONE SIZE REALLY FITS ALL!

The UltraLift Cover Lifter will fit virtually any size and shape of spa.

Patented Sliding Mounting Brackets let you mount your UltraLift to the deck, patio or directly to the side of the spa and adjust to fit into the tightest spaces.

AIRCRAFT GRADE ALUMINUM

By using large diameter aircraft aluminum tube, UltraLift virtually eliminates twisting and flex, making it possible for just one person to open the cover.

COLD ROLLED STEEL BRACKETS

are e-coated and powder coated, providing for years of reliable, trouble free service. No plastic parts to weaken or break.

EXTENDS COVER LIFE

Constructed from 1 1/4" diameter tube, UltraLift works to protect the seam of your cover. Your cover will last longer!

EASY INSTALLATION

UltraLift comes with easy-to-follow instructions, complete with diagrams and a full parts and tool list.

STANDARD MOUNT (part number 6132012) CONVERTS EASILY TO HYDRAULIC ASSIST OR UNDERMOUNT!

HYDRAULIC ASSIST CONVERSION KIT

Part Number 6132014

UNDERMOUNT CONVERSION KIT

Part Number 6132013
